Let me know if there is still a conflict early September and I can try to move the date. Given our situation with Judges being on call for my case is probably fine.

I'm not sure if 10/19 will work for me - I've already got a trial scheduled in Westfield for that day, but it is a long way off and, if needed, I could possibly be on call for both and whichever calls first, go to and then check in with the other to see where things stand.

Hi Sonja,

There was a mix up with our office and the court on the date and the case was actually on for today's date instead of tomorrow. We got a continuance until 10/19. You should receive a new summons shortly. Thanks.

Tim-

I'm just curious if there have been any changes in the [REDACTED] trial scheduled for tomorrow, July 8th, that I should be aware of (i.e. plea, stipulation, etc.). If not, do you want to have me on call, or would you like me there at a specific time? Thanks.
